

OF THE COUNTY OF THE PROPERTY OF THE PROPERTY

Big, fast cars need big, fat tires.

POWERSLICKS

Powerslicks. Cars so big and fast, we had to find ways to control them.

So we bolted on mag wheels and racing slicks. Big. fat racing slicks for better control. Less fish-tailing. Fewer spin-outs.

We built a special powertrack system so you can put the power where you need it most. And save your batteries for the tight spots.

Powerslicks, Big, troewheeling, machines that coast till they hit the powertrack. Then you bit the control button, and Powerslicks go like crazy.

And that's what it's all about. Racing slicks, powertrack.

Powerslicks.

Cars so fast, we had to find ways to control them.
